

# AUTHOR AGREEMENT

The undersigned Authors of the manuscript hereby agree to adhere to the Editorial Policies of Extreme medicine. The Authors warrant that the submitted manuscript is original, has not been published previously in whole or in part in any language and is not under consideration elsewhere. The Authors guarantee that the manuscript was prepared in accordance with the ethical principles established by Extreme medicine. The Authors hereby agree to retain copyright ownership of the submitted content, both written and visual. The Authors agree that further distribution of this work will be done under the Creative Commons Attribution 4.0 International (CC BY) license that allows commercial and noncommercial use of the published article by any individual given that the Authors are acknowledged.

You may fill this agreement on a computer if you open it in a browser.

---

**Title of manuscript:**

**Authors:**

**Authorised corresponding author:**

**Type of manuscript (review, original research, method, clinical case, opinion):**

**Contribution of each Author to the study and manuscript preparation:**

Please briefly describe contributions made by each Author, such as literature analysis, study design, data collection or interpretation, draft preparation, etc. If all Authors contributed equally, please specify it under the list of contributions. Please **note** that this information will be published.

**Funding:**

Please disclose the sources of funding for your study: list all organisations that provided financial or other assistance with data collection, analysis and interpretation, patient recruitment or other issues related to the study. Please specify whether your study or article were requested by a commercial organisation. The Corresponding Author must confirm that he had access to all data and is responsible for manuscript sub-mission.

**Note that the information on the title page of your manuscript must be consistent with the information provided in the box below.**

**Conflict of interests:**

Each Author who declares a conflict of interests (see Section 5 of the Editorial Policies on the Ethical Standards) must complete the Declaration of Conflicts. If you submit the declaration form, tick Enclosed. If no conflict of interest was declared, tick None.

**Approval of the Local Ethics Committee (specify the Committee and protocol date and ID):**

**Consent of patients and other persons mentioned in the manuscript:**

Written informed consent must be obtained from patients whose personal data were disclosed in the manuscript and persons who were mentioned in the Acknowledgement section. Please specify below whether written consents were obtained. There is **no need** to provide them along with the Author Agreement.

**I hereby agree to submit the manuscript to Extreme Medicine and to be listed as Author. I agree with the contents of the manuscript and the declared conflicts of interest. I had full access to the research data and am responsible for their validity:**
